#### THE STUDENT WAS PROMOTED TO THE NEXT GRADE

The educational system in Colombia involves 14 years of studies starting with Prekindergarten, Kindergarten, Transition (1st in USA), and grades 1st through 11th (2nd - 12th in U.S nomenclature). Students receive their High School Diploma after finishing 11th grade (12th Grade in U.S nomenclature) and developing a graduation project.

The evaluation system in Colombia includes 4 concepts: SUPERIOR, HIGH, BASIC and LOW.

*According to the educational project of Colegio Rochester, the final grades in this certificate have the following meaning:*

**Low** : The student has learning expectations in Progress and hasn't reached the Competent level.

**Basic** : The student reached a totally Competent level and has no learning expectations in Progress

**High** : The student demonstrated an Advanced level, over the totally Competent level.

**Superior** : The student achieved a Master level, over the Advanced and totally Competent levels.
